

## Statement of Origin

December 14, 2018

To Our Customers:

S-Square Tube Products is a woman-owned, Colorado company and originator of patented NEX® Sign Posts, NEX® Mailbox Posts, Brackets and Accessories whose goods are wholly obtained, produced, manufactured and assembled in the United States of America.

This statement hereby certifies that the welded steel tubing products supplied to our customers as NEX® Sign Posts and NEX® Mailbox Posts are manufactured in the United States of America in a facility that has been assessed and approved by National Quality Assurance, U.S.A., against the provisions of ISO 9001:2015 and that Raw Material is of Domestic Origin Melted and Manufactured in the USA in compliance with American Iron & Steel (AIS) and Buy America requirements.

The following pages provide a chain of custody and lists products that include welded steel tubing produced in accordance with the stated specifications.

I trust that the information contained in this document satisfies the needs of customers looking to include products manufactured and assembled to world-class standards in their projects.

Should you have questions, contact me at (303) 286-7051.

Sincerely,
