

Statement of Origin

NEX® Sign Posts and NEX® Mailbox Posts

November 12, 2019

To Our Customers:

Zilla Corporation (Zilla) is a 100% woman-owned company whose goods are wholly obtained, produced, manufactured and assembled in the United States of America.

This statement hereby certifies that the welded steel tubing products supplied to our customers are manufactured in a facility that has been assessed and approved by National Quality Assurance, U.S.A., against the provisions of ISO 9001:2015 and that Raw Material is of Domestic Origin Melted and Manufactured in the USA in compliance with American Iron & Steel (AIS) and Buy America requirements.

The following pages provide a Chain of Custody for the welded steel tubing produced in accordance with the stated specifications for our NEX® Sign Posts and NEX® Mailbox Posts.

Thank you for specifying and using products manufactured by Zilla Corporation.

Sincerely,

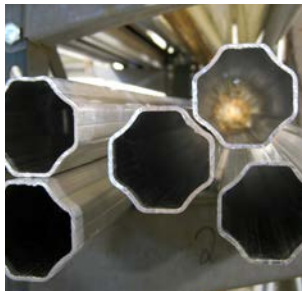

Lori Beedon
President
